ATTENTION ALL SPRINGFIELD CITIZENS

With mutual agreement between the City of Springfield and Waste Management, services for both Commercial and Residential garbage and trash will be terminated effective August 14, 2015.

Waste Management will pick up their garbage carts after the normal weekly service beginning August 10, 2015. If your normal garbage day is Monday, that will be the day they pick up their carts after the cart is emptied, same for Tuesday, Wednesday, Thursday and Friday. Please leave your cart beside the roadway.

Waste Pro will finish out the Waste Management contract for both services, and will be placing their carts out to active accounts beginning August 10, 2015. This should be a smooth transition. Residential accounts will only have to leave your cart out for pick up. Please help us with this transition.

If you have a blue Springfield cart you will keep it until it needs replaced.

In the event you are missed, please contact City Hall at 872-7570 and we will contact the appropriate carrier.
